1. Property address shall be issued by the Engineering Department at the time the building permit is issued.
2. New and existing buildings shall have approved address numbers, building numbers, or approved building identification placed in a position plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches (102 mm) high with a minimum stroke width of 0.5 inch (12.7mm).
3. All commercial structures shall be addressed in accordance with the latest edition of the International Building Code that is adopted by The City of Columbia.
4. All residential structures shall have the property address posted on the structure and both sides of the mail box if it exists.
5. Under extenuating circumstances the City of Columbia may alter/change existing addresses in order to ensure the safety and well being of the citizens of Columbia.
