

Dear Chief Tim Potts,

September 7, 2016

I want to take this opportunity to let you know how much I really appreciate all your department does for the citizens of Columbia, TN. I recently found myself in a very unfortunate situation in which I had to make several reports due to unwelcomed harassing behavior from an ex-boyfriend. I filed the initial report with the Police Department. Having never dealt with anything like this I did not know what to do. It was a blessing when a few days later, Sgt. Michael Kash reached out to me! He talked to me about what my options and next steps were and advised me I could contact him with any questions I might have if something else were to come up. When the unwelcomed behavior did not stop, I reached out to Sgt. Kash. He went above and beyond to help me, and I honestly believe that he is the reason the harassment has stopped for now. I just wanted to let you know how much it means to me that he took the time to reach out and help me in my time of need. Hopefully the harassment has stopped and I will not have to contact the Police Department any further, but it is sure nice to know that if I do need to that you have outstanding folks like Sgt. Kash that will be there when and if I need them.

Sincerely,

A Thankful Citizen  
(CPD Retracted Her Name)
