

MEMORANDUM

TO: Public at Large

FROM: Glenn Harper, City Engineer - City of Columbia

SUBJECT: Allowance and Usage of Polypropylene (PP) Dual Wall Pipe meeting ASTM F2881

The City of Columbia issues this Memorandum regarding the allowance and usage of Polypropylene (PP) Dual Wall Pipe meeting ASTM F2881 within the City of Columbia rights of way and roadway prisms. After conducting field testing and installations with the City of Columbia Public Works Department, reviewing approvals and usage by other agencies (Federal, State, and Local), the City feels confident that Polypropylene (PP) Dual Wall Pipe will provide a reliable alternative to other approved pipe materials. Therefore, Polypropylene (PP) Dual Wall Pipe is hereby approved as an acceptable material for usage within the City of Columbia rights of way and roadway prisms following the attached installation specifications and methodologies.

Glenn Harper, PE
City Engineer
